

# Cross Connectors

## CU Stranded Cables at Right Angles

Designed for connections where cables meet at right angles or where a single cable is used to make two taps from the main.

| CABLE RANGE |         |         |         | CATALOG<br>NUMBER | DIMENSIONS IN INCHES |         | U-BOLT<br>DIAMETER |
|-------------|---------|---------|---------|-------------------|----------------------|---------|--------------------|
| RUN         |         | TAP     |         |                   | L                    | S       |                    |
| MINIMUM     | MAXIMUM | MINIMUM | MAXIMUM |                   |                      |         |                    |
